Board of Trustees Policy 213

MARKING STUDENT PROGRESS POLICY

The Board of Trustees (“Board”) of the Spectrum Charter School (“Charter School”) recognizes that a system of marking student progress and achievement can help the student, teachers, parents and guardians to better assess the student's progress toward educational goals.

The Board also acknowledges the value of a system of computing grade point averages for senior high school graduates to inform students, parents, and others.

Marking shall be that system of evaluation and recording student progress and achievement which enables the student, parents, guardians and teachers to learn the student's strengths and weaknesses; plan an educational and vocational future for the student in the areas of the greatest potential for success; and determine where remedial work is required.

The Board directs that the instructional program of the Charter School include a system of marking for all students which is consistent with the educational goals of the Charter School.

The Chief Executive Officer (“CEO”) shall develop procedures that provide:

- 1) Each student, at the outset of any course of study, with the expected achievement for that course.
- 2) Information, on a continual basis, to each student regarding his/her progress and achievement during the course of study.
- 3) Teachers with marking procedures appropriate to the course of study and the maturity of the students.
- 4) Encouragement of students to evaluate their progress and achievement.
- 5) Periodic review and, if necessary, revision of all marking procedures. To the greatest extent possible, this review shall involve students, staff and parents.
- 6) Consistency of marking procedures and format in all schools.

TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE CONSTRUED TO CONFLICT WITH APPLICABLE STATE AND/OR FEDERAL LAWS, THE APPLICABLE STATE AND/OR FEDERAL LAWS CONTROL. THIS POLICY IS NOT INTENDED TO CONFLICT WITH CHARTER REQUIREMENTS.

ADOPTED this day _____ of _____, 20____

President

Secretary
